---------------------------------	--	---

Dear Parents,

How are you after all these weeks? It is a very demanding time for all of us and also for you. All children are at home and you have to look after them and perhaps even help several children with their school work, or get them to do their work themselves. And on top of that there is the household and work to take care of.

School has started again for some children, and for the others it will begin in the next two weeks. Things are different at the moment, and we have to get used to it.

We have so many questions for you, and would appreciate it if you would answer these for us.

How are you doing in the current situation?

How is it going with the learning at home?

What would you like the school to do? Maybe there's something that we could do differently?

Are you happy for your children to go to school again or are you worried?

How do you think your children are coping with the whole corona situation? And are your children happy to be able to go to school again?

When we are allowed to meet again, are there topics that you would like to be addressed at the Parents' Café? Then we can prepare something for this.

You can write us a letter or an email with your answers, or you can call to speak to us personally. We'll be happy to hear from you!

Important: If you live in an accommodation centre, you may use the "Notbetreuung" (emergency supervision) for your children. And if it's very difficult at home and you're really struggling, we can also have a chat and see if a "Notbetreuung" is possible. You can talk confidentially to Ms. Salzmann, Mr Brand or Ms. Lehnigk about this.

We wish you all the best, good health for you and your loved ones and lots of energy for this difficult time.

Warm greetings from all colleagues of the school.

Uta Lehnigk and Aicha Katjivena

School social worker and educator from the Parents' Café

Uta Lehnigk: u.lehnigk@tjfbg.de Tel.: 0151 20422094; Aicha Katjivena: a.katjivena@tjfbg.de

You're welcome to use this sheet to send us your answers (through the class teacher, class educator, the info point in the free time building, email, school social work, telephone ...)
